PHOENIX WILL BE IN PENNANT
RACE WITH HESTER'S SOLONS

Salt Lake Demon Shows
How Rivalry Between
This City and Tucson Will
Stimulate Game—Some
Financial Facts

SOME FACTS ABOUT
RIO GRANDE LEAGUE

Phoebos concerning the manner
in which the six clubs of the Rio
Grande baseball association are
to be organized were given out
by Promoter J. J. McCloskey to
Herb Hester, in charge of Phoe-
bia last night. They are:

El Paso—A stock company has
been formed here with \$10,000
paid up stock. McCloskey will
manage the team.

Las Cruces—The City of Las
Cruces has given Manager Phil
Huxley a flat sum of \$2,500.

Albuquerque—Manager Reed
has organized a stock company
and has paid up \$2,000.

Silver City—Public spirited
merchants there have subscribed
\$100 a month for the team under
Joe Mathis.

Tucson—Jim Brown has not
yet sounded public opinion in the
Old Pueblo enough to figure
on a means of financing.

Phoenix—Herb Hester has
about decided to place the money
raising in the hands of a
committee of business men who
have offered to sell 1,000 tickets
to the opening game at a dollar
a throw. This will give each
buyer a run for his money, and
make the donation more effective
in arousing public interest.
Hester says \$1,000 right off the
bat will put him in the door
for the season.

Phoenix will have no tailender in
the Rio Grande baseball association
if Manager Herb Hester remains
in command. Hester has been
organized baseball for a number of
years and has never played on or
managed anything but pennant win-
ning teams. It has grown to be a
habit with him, he says.

Having found a strong sentiment
for baseball here, Hester has kicked
himself in the shin and wired for
a lot of the best ball-players he can
possibly secure to play on the Ariz-
ona team. He has increased his

throw a little since his first line-
up. When he announces the players
there will be an opportunity to do
a little gossiping with astonishment.
Players are easy to secure at this
time because so many minor leagues
have just broken up. Hundreds of
the best sort of men are thrown
out of work, and are willing to
trail a good league all over the
country in order to get berths. The
Salt Lake demon is not antici-
pating any trouble putting a con-
tender in Phoenix this season.

That Phoenix wants a baseball
team "as is a team" is certain.
Down in Pima county there is a
city alt thinks it knows all about
baseball, and this view conflicts with
that of the capital city. Naturally,
the greatest rivalry of this end of
the league is going to exist between
Tucson and Phoenix, and this will
require crackjack clubs in both
towns if the interest is to be sus-
tained. And in order to have good
teams, the interest must be strong
in evidence early in the season.

BY THE CUB

Glendale held the Coyotes to a noth-
ing to nothing game yesterday after-
noon until the last of the ninth when
Chet Goldberg walloped the ball over
center for a home run winning the
game for Phoenix.

It was some game. Both teams were
playing fast ball and through the nine
innings there was not a moment that
the two games were not on their toes.
And when Wilky knocked the pill over
center—the very same place as Gold-
berg—it looked as if the Coyotes had
the game at that point. But Wilky
was not fast enough on his lower ex-
tremities and only got to third. Gold-

THURSTON MAPPERS
TOURING IN ARIZONA

Routes West of Phoenix Shown in
Great Detail in Handy Folder:
East to be Mapped Next Year

Arizona's roads are becoming of
sufficient interest to motorists to in-
duce map-makers to survey them, ac-
cording to Fred W. Coon, secretary-
treasurer of the Western Map Pub-
lishing company, who arrived yester-
day from Yuma in search of data for
the Thurston's maps. Mr. Coon was
accompanied by Sales Manager Frank
L. Garner.

Already Thurston maps are availa-
ble for all the roads in Arizona west
of Phoenix. One of the latest publi-
cations is that of a map showing the
two main routes from Phoenix to Los
Angeles and San Diego. The touring
party came via Yuma, and return by
way of Prescott and the route of last
year's Los Angeles-Phoenix road race.
Next year, Thurston's will map the
eastern part of the state, showing all
the routes toward El Paso.

The completion of the plankway
across the Mammoth Wash is going
to be an immense stimulus to auto-
mobile and motorcycle travel to the
west this year. Mr. Coon says that
the final three mile stretch will be
finished within a week.

MESA, March 27.—The loyal fans
of the valley will be given an op-
portunity this afternoon at Riverside

Sox Wednesday afternoon. Manager
Langowski has been working his
men out regularly the past week in
preparation for the game at Riv-
erside park today and also for the
big game Wednesday.

The game today will be called at

Jewels will line up against their old
time enemies, the Tempe Bears.
Umpire Fringle will officiate.
Arrangements have been made for
transferring the crowds from Phoe-
nix to the park. Many Mesa fans
have signified their intention of be-
ing present and supporting the local
team. The lineup which will

White Sox is given herewith.

HIGH SCHOOL TRACK
WORK STARTS SOON

Valley Schools to Meet in Regulation
Contest at Fair Grounds Saturday

Track season will be ushered in big
this year by the valley field and track
meet that is to be held at the state fair
grounds next Saturday afternoon, at
which meet all the high schools of the
Salt River Valley will participate. This
meet will be the biggest track event
and probably the only one that will be
held in Phoenix this season.

Track is a big feature of the year's
sport calendar and the contest will be
a big feature in itself as the fastest
teams of the state are right here in
the valley. Those people who can not
attend the state university track meet
that is to be held at Tucson the week
following, will be enabled to see the
same men practically, with the excep-
tion of the teams of a few of the minor
schools of the state.

Mesa, Tempe, Glendale and Phoenix
high schools will all be there, with bells
on. All these schools have fast teams
and there will be a hard fight for
points.

The Coyotes have been under the
coaching of Francis Geary, who trained
them so successfully last year, and are
showing up very well. New material
has shown up and with what the Co-
yotes have left of last year's team and
what new stars they have developed,
they are going in to win. Monahan is

Fortified Tires

On the Better Road Above You

When tires go wrong, through faults which Good-
year tires avoid, remember there's a better road
above you. On it are some 400,000 users to whom
Goodyears brought content.

Let each rim-cut suggest our
No-Rim-Cut feature—the best
way known to combat it.

Let each needless blow-out
suggest our "On-Air" cure. At
a cost to us of \$450,000 yearly,
it wipes out a major cause.

Let each loose tread remind
you that our patent method re-
duces this risk 60 per cent.

Let each puncture remind you
that our All-Weather tread is
tough and double-thick. And each
skid suggest its sharp, resistless
grips.

No Other Ways

no other tire

these methods.

On February 1st we made our

GOOD ROADS MEET '6
SUCCESS IN WINSLOW

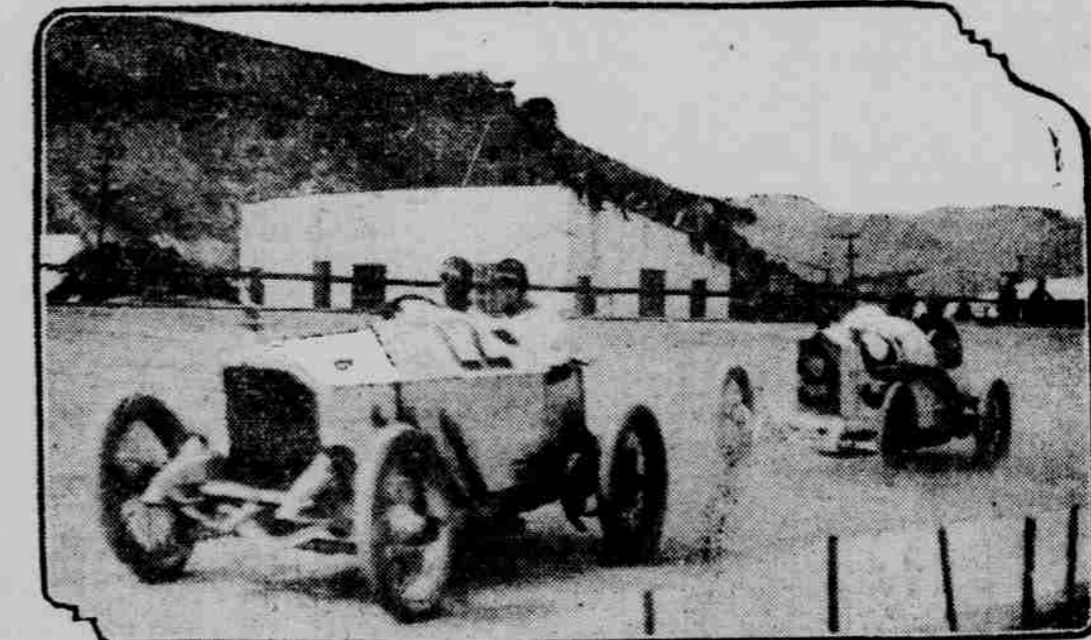

Winslow came in for an enthu-

Good Roads Association. In a report
submitted to Sec. H. Welch of the
association, Organizer L. J. Kirker
says that the met a cordial wel-
come among the motorists and good
roads supporters of the north. Twen-
ty members were secured for the
local within a short time after the
initial meeting.

Kirker is now headed for other
northern Arizona towns, after which
he will have just about completed
the organization of the state.

WHEN DE PALMA LOST HOPE—OVERTAKEN BY RESTA IN BIG RACE

This picture was taken at a dramatic moment in the great Vanderbilt Cup race on the Panama exposition
grounds. De Palma, in No. 22, twice winner of the Vanderbilt Cup race, is being overtaken by Resta, in No. 9,
who won both the Grand Prix and the Vanderbilt races at San Francisco. De Palma was passed shortly after
this snapshot was taken and never regained the lead.
